MATH 023 Fundamental Mathematics 3 VIDEO LINKS

Topic MATH 023 Video Number Sense A Emotions and Learning How to deal with math anxiety Math anxiety strategies Tips for math anxiety Math anxiety strategies Tips for math anxiety Multiply single digit by double digit 3x32 A Multiplying Larger Numbers Multiply single digit by multiple dig Multiply single digit by multiple dig Multiply single digit by multiple dig Multiply single digit by multi digit number Multiplying numbers lots of examp Multiplying single digit by multi digit number Renaming and carrying B Two and Three Digit Multipliers Multiplying multi digit numbers Multiplying by 10, 100, 1000 Multiply by 10 Practice multiplying by 10 More on multiplying by 10 More on multiplying by 10 Estimate products by rounding firs Estimate answer to a multiplication question Estimating answers for multiplication question Estimating answers for multiplication question Estimating answers for multiplication duestion D Multiplication word problems Multiplication word problems Multiplication word problems Multiplication and division relation Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que Three ways to write a division que	
A Emotions and Learning How to deal with math anxiety How to deal with math anxiety Intro to math anxiety Math anxiety strategies Tips for math anxiety Times tables practice song Multiply single digit by double digit 3x32 A Multiplying Larger Numbers Multiply single digit by multiple dig Multiply single digit by multiple dig Multiply single digit by multi digit number Multiplying numbers lots of examp Multiplying numbers lots of examp Multiplying multi digit numbers Multiplying by 10, 100, 1000 Multiplying multi digit numbers	
How to deal with math anxiety Intro to math anxiety Math anxiety strategies Tips for math anxiety Times tables practice song Multiply single digit by double digit 3x32	
A Multiplying Larger Numbers A Multiplying Larger Numbers Multiply single digit by double digit number Multiplying Larger Numbers Multiplying Larger Numbers Multiply single digit by multiple digit number Multiplying numbers lots of examp Multiplying numbers lots of examp Multiplying single digit by multi digit number Multiplying numbers lots of examp Multiplying single digit by multi digit numbers Multiplying by 10, 100, 1000 Multiplying multi digit numbers Multiplying by 10 Practice multiplying by 10 More on multiplying by 10 Estimate products by rounding first estimate answer to a multiplication question Estimating answers for multiplication question Estimating answers for multiplication word problems Multiplication word problems Multiplication word problems Multiplication and division relations Division Facts Multiplication and division 12 divided How to write a division question question question question question question question problems Multiplication and division 12 divided How to write a division question que	
Tips for math anxiety Times tables practice song Multiply single digit by double digit 3x32 A Multiplying Larger Numbers Multiply single digit by multiple dig Multiply single digit by multiple dig Multiply single digit by multiple digit number Multiplying numbers lots of examp Multiplying numbers lots of examp Multiplying single digit by multi digit numbers Renaming and carrying Multiplying single digit by multi digit numbers Multiplying single digit by multi digit numbers Multiplying by 10, 100, 1000 Multiply by 10 Practice multiplying by 10 More on multiplying by 10 More on multiplying by 10 Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication festimating answers for multiplication multiplication word problems Multiplication word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiply multiplication and division relation. Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
Times tables practice song Multiply single digit by double digit 3x32 A Multiplying Larger Numbers Multiply single digit by multiple dig Multiply single digit by multiple dig Multiply single digit by multiple digit number Multiplication with carrying Multiplying numbers lots of examp Multiplying numbers lots of examp Multiplying single digit by multi digit numbers Multiplying numbers lots of examp Multiplying single digit by multi digit numbers Multiplying by 10, 100, 1000 B Two and Three Digit Multipliers Multiplying multi digit numbers Multiplying by 10 Practice multiplying by 10 More on multiplying by 10 Estimate products by rounding first estimate answer to a multiplication question Estimate answer to a multiplication word problem Multiplication word problems Multiplication word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiplication and division relation: Division A Introduction and Division Facts Multiplication and division 12 divided How to do a multistep division que Three ways to write a division que	
A Multiplying Larger Numbers Multiply single digit by multiple digit 3x32 Multiply single digit by multiple digit Multiply single digit by multiple digit number Multiplying numbers lots of examp Multiplying numbers lots of examp Multiplying numbers lots of examp Multiplying single digit by multi digit numbers Renaming and carrying B Two and Three Digit Multipliers Multiplying by 10, 100, 1000 Multiplying multi digit numbers Multiplying by 10 Practice multiplying by 10 Practice multiplying by 10 Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication multiplication word problems Multiplication word problems Multiplication word problems Multiplication word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
A Multiplying Larger Numbers Multiply single digit by multiple dig Multiply single digit by multiple digit number Multiplication with carrying Multiplying numbers lots of examp Multiplying numbers lots of examp Multiplying single digit by multi digit numbers Renaming and carrying B Two and Three Digit Multipliers Multiplying single digit by multi digit numbers Multiplying by 10, 100, 1000 Multiplying multi digit numbers Multiplying by 10 Practice multiplying by 10 More on multiplying by 10 Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication multiplication word problem Multiplication word problems Multiplication word problems Multiplication word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
A Multiplying Larger Numbers Multiply single digit by multiple dig Multiply single digit by multi digit number Multiplying numbers lots of examp Multiplying numbers lots of examp Multiplying single digit by multi digit numbers Renaming and carrying B Two and Three Digit Multipliers Multiplying multi digit numbers Multiplying by 10, 100, 1000 More on multiplying by 10 Practice multiplying by 10 More on multiplying by 10 Estimate products by rounding fire Estimate answer to a multiplication question Estimating answers for multiplication guestion Estimating answers for multiplication word problems Multiplication word problems Multiplication word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division question que multiplication question que multiplication que division que multiplication que division que multiplication que division que multiplication que multiplication que division que multiplication and division que multiplication que multi	
Multiply single digit by multi digit number Multiplication with carrying Multiplying numbers lots of examp Multiplying single digit by multi digit numbers lots of examp Multiplying single digit by multi digit numbers of examp Multiplying single digit by multi digit numbers Multiplying single digit by multi digit numbers Multiplying single digit by multi digit numbers Multiply by 10 Practice multiplying by 10 Practice multiplying by 10 Practice multiplying by 10 Estimate answer to a multiplicatio question Estimate answer to a multiplication question word problems Multiplication word problems Multiplication word problems Multiplication word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
Renaming and carrying Renaming and carrying B Two and Three Digit Multipliers Multiplying multi digit numbers Multiplying multi digit numbers Multiplying by 10, 100, 1000 More on multiplying by 10 Practice multiplying by 10 More on multiplying by 10 Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication Multiplication word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division question que question question que question question que que que que question que question que	
Renaming and carrying Renaming and carrying B Two and Three Digit Multipliers Multiplying multi digit numbers Multiplying by 10, 100, 1000 C Estimating Products Estimate products by rounding first stimate answer to a multiplication question Estimating answers for multiplication word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division question que question que question que question question que question question que	
Renaming and carrying Renaming and carrying B Two and Three Digit Multipliers Multiplying multi digit numbers Multiplying by 10, 100, 1000 Practice multiplying by 10 More on multiplying by 10 More on multiplying by 10 Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication word problems Multiplication word problems Multiplication word problems Multiplication word problems Multiply whole numbers word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division question question question question to division question question question question and division question question question question question question question question question que	
Renaming and carrying B Two and Three Digit Multipliers Multiplying multi digit numbers Multiplying by 10, 100, 1000 More on multiplying by 10 More on multiplying by 10 Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication word problem Multiplication word problems Multiply whole numbers word problems Multiply whole numbers word problems Division A Introduction and Division Facts Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division question question questions and division questions division questions and division questions divisions questions divisions questions divisions divisions questions divisions questions divisions que div	
B Two and Three Digit Multipliers Multiplying multi digit numbers Multiplying by 10, 100, 1000 Practice multiplying by 10 More on multiplying by 10 More on multiplying by 10 Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication Multiplication word problem Multiplication word problems Multiply whole numbers word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division question que Three ways to write a division question question question question question que division question question question question question que division que division que division question que division question que division que divi	
Multiplying by 10, 100, 1000 Multiply by 10 Practice multiplying by 10 More on multiplying by 10 Estimate products by rounding firs Estimate answer to a multiplicatio question Estimating answers for multiplicatio question Multiplication word problems Multiplication word problems Multiply whole numbers word prob Division A Introduction and Division Facts Multiplication and division relations Division Fact Families How to write a division que Three ways to write a division que	
Practice multiplying by 10 More on multiplying by 10 Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication question Word Problems Multiplication word problems Multiplication word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division question question and division questions Three ways to write a division question que question question que	
More on multiplying by 10 C Estimating Products Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication question Multiplication word problems Multiplication word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division question question multiplication and division question for multiplication for m	
C Estimating Products Estimate products by rounding first Estimate answer to a multiplication question Estimating answers for multiplication word problems Multiplication word problems Multiplication word problems Multiplication word problems Multiplication word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division question question and division question and division question and division question for multiplication and division relations division fact Families How to write a division question and division question for multiplication and division question for multiplication and division relations division fact families How to write a division question for multiplication and division question fact families for multiplication and division relations division fact families for multiplication and division question fact families for multiplication and division question fact families families for multiplication and division question fact families f	
Bestimate answer to a multiplication question Estimating answers for multiplication word problems Multiplication word problems Multiplication word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
D Multiplication Word Problems Multiplication word problem Multiplication word problems Multiplication word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
D Multiplication Word Problems Multiplication word problem Multiplication word problems Multiply whole numbers word prob Multiply whole numbers word problems Multiply whole numbers word prob Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
D Multiplication Word Problems Multiplication word problems Multiplication word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiply whole numbers word problems Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
Multiplication word problems Multiply whole numbers word prob 3 Division A Introduction and Division Facts Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	<u>n</u>
3 Division A Introduction and Division Facts Multiply whole numbers word probable Multiplication and division relations	
A Introduction and Division Facts Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
A Introduction and Division Facts Multiplication and division relations Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	<u>m</u>
Division Fact Families How to write a division 12 divided How to do a multistep division que Three ways to write a division que	
How to write a division 12 divided How to do a multistep division que Three ways to write a division que	<u>iip</u>
How to do a multistep division que Three ways to write a division que	
Three ways to write a division que	
Division with remainders Basic division	<u>lion</u>
<u>Division with remainders</u>	
<u>Division with remainders</u>	
B Divisibility Divisibility by 2	
Divisibility by 3	
Divisibility by 9	
<u>Divisibility by 5</u>	
C Dividing Larger Numbers by One Digit Divide 3-digit number by 1-digit	
Divisors <u>number (no remainder)</u>	
Divide a 4-digit number by a 1-dig	
<u>number</u>	
Divide 3-digit number by 1-digit	
number practice	
One digit divisors with remainders Division with remainders1	

June 2021 MATH 023 Course Outline Page 1 of 2

			Division with remainders2
	D	Dividing by Two and Three Digit Divisors	Long division
	ט	Dividing by 1 we did Tillee Digit Divisors	Dividing larger numbers
1 1		Dividing by 10, 100, 1000	How to divide by 10
		Dividing by 10, 100, 1000	Practice dividing by 10
			Practice dividing by 10 Practice dividing and multiplying by 10
1		Three digit divisors	Division with 3-digit divisor 7824
		Three digit divisors	divided by 326
1 1	Е	Estimating Quotients	divided by 626
1 1		Rounding division questions to estimate	Round first and then divide
		Trounding division questions to estimate	Estimate division answers 1
			Estimate division answers 2
1 1	F	Division Problems	Division word problem
1	<u>'</u>	Unit pricing	Price to clean one office
		Offic prioring	Price per ticket
			Newspapers delivered perhour
			Best buy
1 1			
	G	Mixed Problems	How to recognize if its multiply or
			divide in a word problem
			Multiply or divide word problems
4		Change, Time and the Metric System	
	Α	Counting to Make Change	Skip counting by 2's
			Skip counting by 3's
			Skip counting by 5's
			Skip counting by 10's
1 1			Skip counting by 25's
	В	Making Change	
	С	Converting Units of Time	Intro to converting time units
			Converting time
			Converting time units
		Adding units of time	Adding units of time
		Subtracting units of time	Adding and subtracting units of time
			Word problem with time
1 1			Adding and subtracting time
	D	The Metric System	Intro to metric system
			How big is a meter, centimeter and
			millimeter
			Metric song
		Measuring length	Measuring length in centimeters
			Measuring in centimeters
		Measuring small lengths and long distances	Metric units of small and large objects
		Measuring capacity (Volume)	Intro to capacity or volume1
			Intro to capacity or volume2
		Measuring mass	How much is a gram of mass
			Intro to mass or weight and grams
		Metric prefixes	Intro to metric prefixes
			Metric prefixes
		Area of rectangles and squares	What is area?
			What is perimeter?
			Perimeter/area
			Difference between area and perimeter
			Calculating metric area of rectangles
			Area of a square 20 cm by 20 cm
		Word problems using area and perimeter	Amount of fence perimeter question
			Word problem comparing two areas of
			posters
			Calculating side length of a square
			given its area of 144 sq meters
